

Water New Zealand Conference 2018

Calling all Young Water Professionals

Win your entry to the Water NZ conference in 2019

The Water NZ Conference and Expo is just a month away so we thought we'd let you know that this year we're going to do things a bit differently.

Wednesday
19 September
11am

The YWP session is first up on Wednesday morning after morning tea and we're grabbing your attention by getting you in front of an audience and giving out prizes!

Ten bright Young Water Professionals will be selected to each give a 2 minute presentation, on a Hot Topic given to you.

2 simple rules:

- * **you MUST have a prop**
- * **you MUST NOT use the word water**

Topics will be varied and there will be some curve balls, an example is: **how does YWP and WaterNZ support young professionals in the industry?**

Judging will be based on :

- . sticking to the topic
- . keeping to the rules
- . humour
- . lateral thinking
- . audience engagement
